All 6th-12th graders invited to these events.
Have a friend join you even if they are not Catholic.

For more information:
Austin Huck, Youth Minister
223-5562 or austin@stmarysparishfamily.net

DO YOU HAVE THE FLU?

What is it? "The Flu" is also known as influenza. It is a respiratory infection caused by the influenza virus. It is typically spread by air or by direct contact from one person to another.

It can strike a remarkably large number of people in a relatively short time and usually peaks in the fall and winter months.

There are a variety of symptoms. They can be mild or severe depending on the type of virus, your age and overall health. The flu can affect other body systems, making you feel sick all over. Symptoms can include any or all of the following: Chills, moderate and high fever (101 – 103 degrees Fahrenheit) sore throat, runny nose, muscle aches, headaches, fatigue, cough, diarrhea and dizziness.

If you are sneezing and have a stuffy nose, you may have a cold. Flu is more likely to cause some or all of the symptoms listed. Influenza symptoms can last for as few as 24 hours or for a week or more.

Good hygiene: The virus is usually passed through the air by coughing. It is also passed by direct contact such as shaking hands or kissing. For this reason practicing good hygiene – covering your mouth when you cough and washing your hands frequently – can help you to avoid getting the flu or spreading it to others.

My prayer for all of you can be found in 3John2: "Beloved, I hope you are prospering in every respect and are in good health, just as your soul is prospering." — Deacon Terry

Have you signed up to be
FORMED and transformed in your
Catholic Faith?

If not, do so today! There are
hundreds of movies, books and
audios to choose from, including
stuff for the kids!

Don't miss this opportunity to
FORM your faith in a new way!

Sign up today!

1. Visit **Formed.org**
2. Enter Parish
