

**Dear Family and Friends of St. Mary's School,**

During the week of Feb. 22, St. Mary's School will be a-rockin' and a-readin' and a-writin' as Georgia children's author Diane Z. Shore recites her rollicking, rhyming read-aloud **Bus-A-Saurus Bop** and shares her newest release *How to Drive Your Sister Crazy*, plus poems and games, *Highlights for Children* articles, and writing tips.

Meeting an author often sparks even a reluctant child to read. Diane's performance is an educational and inspirational performance geared to get kids excited about reading and writing. Her books make treasured gifts and are a wonderful opportunity to encourage your child to read! To order your **autographed** copies please use the order form below and return to your teacher by **Monday, February 22**. Make checks payable to: **Let's Read Books**.
